

CitiusTech Is Great Place To Work Certified for 12th Consecutive Year

Mumbai, India, February 24, 2023 – CitiusTech, leader in healthcare technology and consulting services, has been Great Place To Work® Certified™ in India for the assessment period February 2023 – February 2024. This is the 12th consecutive year that the company has been recognized by Great Place To Work® India.

Since 1992, Great Place To Work® India has surveyed more than 100 million employees worldwide and used those deep insights to define what makes a great workplace: trust. Their employee survey platform empowers leaders with the feedback, real-time reporting, and insights they need to make strategic people decisions. The Institute serves businesses, non-profits, and government agencies in more than 60 countries and has conducted pioneering research on the characteristics of great workplaces for over three decades.

Sowmya Santhosh, CHRO, CitiusTech said, “In addition to the seventh consecutive year of being identified as **India's Best Workplaces™ in IT & IT-BPM 2022**, this acknowledgement highlights our collective focus and commitment towards our employees, processes that support them and policies that compliment employee welfare and well-being. I would like to thank each one of our employees, who continue the tradition to shape CitiusTech as a great place to work, every day.”

As a partner of choice to the world’s largest healthcare and life sciences organizations, CitiusTech helps accelerate digital innovation, drive business transformation, and enable industry-wide convergence. The company’s cutting-edge technology expertise, deep healthcare domain expertise, and a strong focus on digital transformation enable organizations to deliver better outcomes, accelerate growth, drive efficiencies, and make a meaningful impact to patients, caregivers, and consumers.

About CitiusTech
